

STATE OF TEXAS
OFFICE OF THE GOVERNOR

Greetings:

As Governor of Texas, it is my pleasure to extend greetings and best wishes as you prepare for your travels throughout Spain.

Yours is a Texas-sized story of hope, conviction and life. Your positive message has inspired countless Americans, and I am happy you will have the chance to share it with our friends in Spain.

Spain and Texas share deep bonds of history, friendship and common values. Spain's flag is one of six that have flown over Texas, and Spanish culture has had a strong influence on the Lone Star State. We also are strong trade partners, as the flow of goods and services between Texas and Spain bolsters both economies. Our bond is strong, and I am certain the people of Spain will have an even greater appreciation of the Lone Star State after having spent time with you.

I hope you return to Texas with plenty of exciting stories and having made many new friends. Have a safe and enjoyable trip!

First Lady Anita Perry joins me in sending best wishes.

Sincerely,
